Ad Agent Arrested.
Denver, June 30.—A telegram received by Deputy Inspector Carpenen the arrest of a man named accused of being one of the abducts of the coach near Alamogordo, who was killed between Alma, Arkansas, Saturday. A telegram was received here from officials giving a dispatch and ordering his arrest. A \$400 reward was offered for his capture. Bourton arrived in Denver yesterday and it is supposed with the same night and joining his companions. They went to work and committed the robbery yesterday night. Yesterday he was taken to the police station and is being held in the same cell as the other two. It is thought Bourton is a member of an organized band operating in various parts of the country at large.

No Hope for Hope.
New York, June 30.—The Times says Inspector Byrnes was engaged yesterday in preparing papers on which to obtain a requisition from Governor Cornell on the Governor of California for the return to this State of Hope, the bank burglar. Superintendent Walling sent a dispatch yesterday to the Chief of Police at San Francisco giving an account of what Hope was wanted for in this city and requesting that if the charge now pending against him in San Francisco is not sustained that he be detained until officers can be sent to bring him to this city. As soon as the warrant is issued and the papers are in due form, officers will be sent to San Francisco. Should the charge against Hope, on which he was arrested be substantiated, he will be tried on them and the requisition from Governor Cornell will be lodged as a detainer against him so that he may not escape should he be acquitted. Inspector Byrnes thinks there is a fair prospect for Hope being brought to this city and deems his conviction, if tried here, a foregone conclusion, as the evidence against him is too strong to be controverted.

Albany Advice.
PLATT INVOLVED IN A SCANDAL.
Albany, June 30.—The political circles are excited over a reported scandal said to have occurred at the Delavan House last night, involving a leading politician and an unknown woman. The chief talk to-night is about the scandal. No one appears to deny the story, though some express contempt and disgust, thus indicating their disbelief in it. It is reported that the principal in the affair said to-night if he had seen anyone peeping into his room over the transom, he would have blown his head off.
Chicago, June 30.—An Albany dispatch states that Platt was discovered in a room at the Delavan House with a woman under compromising circumstances, and that he was seen by several prominent politicians. Many disbelieve the story.
MORE BRIBERY INDICTMENTS.
Albany, June 30.—The grand jury indicted A. E. Barber for paying E. R. Phelps \$12,500 for bribing State officers. Bail was placed at \$3,000. Barber pleads not guilty. The jury also indicted Chas. A. Edwards for receiving from James Dickson \$7,000 for the bribery of State officers.
New York, June 30.—A Posts Albany special says: Robertson says the Times has been assuming that the Collectorship will be controlled by events here.
Albany, June 30.—The Bribery Committee met to consider a report but reached no conclusion.
Albany, June 30.—The convention adjourned, on motion of a Democrat, until to-morrow noon.
First vote: Potter 53, Conkling 32, Wheeler 43, Cornell 2.
Second vote: Depew 51, Kernan 53, Platt 28, Cornell 11, Wheeler 1, Crowley 7. Adjourned.

National Capital Notes.
APPOINTMENTS
Washington, June 30.—The President appointed R. S. Foster U. S. Marshal for Indiana, vice Dudley and Robert G. Halley of Vermont, Consul to Barbados vice W. H. Polley, suspended.
RAMSAY BEGINS HIS RAMBLES.
EX-Secretary Ramsay who was recently appointed to examine into the charges preferred by Representative Page against Superintendent Dodge of San Francisco, left Washington to-day enroute for the Pacific coast. He will visit Philadelphia and his home in Minnesota, stopping at both places for a few days, and expects to reach San Francisco about the 15th of July.

Railway Troubles.
Denver, June 30.—There has been considerable between the Denver & Rio Grande and Union Pacific regarding freight matters. The Rio Grande demanded that the Union Pacific should allow them to haul freight between Denver and southern points on through freight. The latter demanded reduced tariff consistent with rates below Pueblo, and for the past three days has refused to give up any freight to the Rio Grande. The latter found it necessary to replev in some freight intended for southern shipment in order to get it through. To-day the Union Pacific, through a letter from E. P. Vining, agreed to come to the Rio Grande's terms.
